# *Black Dazzle Infused Tea*

BLACK CURRANT TEA  
SUGARED RASPBERRIES  
FRESH LEMON  
CRUSHED ICE

AIMEE ABEL

For your #CLTInspireneurs series, I'm shaking up a refreshing infused black currant tea with raspberries and lemon.

Rich vitamins, a caffeine buzz, and a little sweetness ought to bring zest to a busy afternoon of crushing it.

Time to get bubbly...  
Champagne is the base of  
The Wednesday Social  
Spritzer.

Reinforcing cornerstones of  
social media, we're keeping  
it fresh, classy and fun with  
sweet summer flavors and a  
splash of extra *spirit*.

Welcoming a new furry friend into your life calls for tail-wagging, zoomies, and wet kisses.
